What is a Title I school?

- Title I was passed in 1965 under the Elementary and Secondary Education Act (ESEA). It is the largest federal assistance program for our nation's schools.
- Title I schools receive extra funding (Title I dollars) from the federal government. These dollars are used to:
 - identify students experiencing academic difficulties and provide assistance to help these students;
 - purchase additional staff, programs, materials, and/or supplies; and
 - conduct parent and family engagement meetings, trainings, events, and/or activities.

What are my rights?

- The families and parents of Title I students have a right, by law, to:
 - be involved in decisions made at both the school and district level;
 - be provided with information on your child's level of achievement on tests in reading/language arts, writing, mathematics, and science;
 - request and receive information on the qualifications of your child's teacher and paraprofessionals who are working with your child;
 - request opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions about the education of your child. The school is required to respond to any such suggestions as soon as practicably possible.

What can Title I funds be used for?

- In general, Title I funds may be used for:
 - smaller class sizes,
 - additional teachers and paraprofessionals,
 - additional training for school staff,
 - extra time for instruction (before and/or after school programs),
 - parent and family engagement activities, and/or
 - a variety of supplemental teaching materials, equipment, and technology.

How does our school use Title I funds?

- In 2020-2021 our school was allotted Title I funding.
- We developed a **Schoolwide Program**, which means we plan to spend our funds on the following:
 - Materials/Supplies for students and staff
 - Teacher Professional Development

What is the SIP?

- The SIP is the School Improvement Plan. It includes:
 - the identification of the school planning team and how they will be engaged in the planning process;
 - a needs assessment and summary of academic and non-academic data;
 - prioritized goals, strategies, and action steps to help address the academic and non-academic needs of students;
 - teacher and staff professional development needs; and
 - budgets and the coordination of resources.

What are our schoolwide program goals?

- Increase Academic Achievement in ELA and Math
- Strengthen leadership qualities and focus to assess classroom instruction by offering high-quality, frequent feedback to teachers
- Safe learning environment that promotes academic achievement which limits the amount of lost instructional time and ensures that all students have the opportunity to learn

How is parent and family engagement funded?

- Any district with a Title I allocation exceeding \$500,000 is required by law to set aside 1% of its Title I allocation for parent and family engagement.
- Of that 1%, 10% may be reserved at the district for system-wide initiatives related to parent and family engagement. The remaining 90% must be allocated to all Title I schools in the district.
- You, as Title I parents and family members, have the right to be involved in how this money is spent.

How is parent and family engagement funded?

- Fairview received parent and family engagement funding. We plan to use these funds for:
 - Parent and Family Engagement Events
 - Materials/Supplies

What is a Parent and Family Engagement Policy?

- These plans address how the district and school will implement the parent and family engagement requirements of ESSA. Components should include:
 - how parents and families can be involved in decision-making and activities;
 - how parent and family engagement funds are being used;
 - how information and training will be provided to families; and
 - how the school will build capacity in families and staff for strong parent and family engagement.
- You, as a Title I parent or family member, have the right to be involved in the development of these plans.

What is a School-Parent Compact?

- A school-parent compact is a written commitment that outlines how the entire school community – teachers, families, and students will share the responsibility for improved academic achievement.
- The compact must describe how the school will:
 - provide high-quality curriculum and instruction;
 - hold parent-teacher conferences, annually in elementary schools;
 - provide parents with reports on their child's progress;
 - provide parents reasonable access to staff.
 - provide parents opportunities to volunteer; and
 - ensure regular two-way meaningful communication between family members and staff, to the extent practicable, in a language family members can understand.
- You, as a Title I parent or family member, have the right to be involved in the development of the compact.
